Good evening Art,
I truly apologize I owe you a phone call.
In any case, wanted to reach out and see what I can do to set up that meeting with Joe et al with the appropriate CLA staff and others that may need to be involved in order to get the ball rolling.
Let me know what you think, and we can get it done before the holidays or at least immediately following Thanksgiving.
Hope all is well,
Thanks!

On our side will be myself, and George Yu and Martin Lee from the BID. Who will be accompanying Gil?

Hey Morrie,
he just has a committee meeting that afternoon that starts at 1:00PM -- usually goes until 2/2:30 depending on the agenda.
What time were you looking at?
Usually Mondays/Thursdays are more lenient since there are no Council or Cmte Meetings to work around.

Let me know what you think.

Can I get some time for my client, Related Companies, to update Gil on Grand Avenue and the Equinox Hotel. It should be coming to Economic Development Committee in January, although not sure if we're going the 14th or the 28th.

Hi...can I please get some time with Gil? I'd like to bring in the developer and architect to discuss the project and, in particular, the shade/shadow and view corridor issues on the hotel and residential tower.

Thanks.

FYI I am familiar with the land-use issues related to this project (proposed new construction of a residential tower above retail space and a long-term stay hotel at 7th & Bixel Streets). CM has been engaged on some of the issues and previously had met the development team when he was introduced to the proposed project. Hugo and I have been mediating potential conflicts amongst certain parties, including the property owner's association across the street (at 1100 Wilshire Blvd).

Given the CM's interest in developing this part of the district, and potential controversy, I would recommend the meeting with CM and the developer (United American Properties) be scheduled.

Hi...my client Lightstone is looking to develop a hotel project at Figueroa and Pico, with 1,000 keys. This is their first project in LA, but they are actively looking at other sites (including residential) and are interested in meeting Gil.

Does he have any availability the week of February 8, specifically 2-08, 2-09 or 2-10?

Thanks!

It's already happening. The story should be that the owner worked with CCNP and identified the qualified candidates from the community in CD 1 that will be hired. The store has attended community events at CCNP and hosted a booth as well. We can get specifics but they were a bit fluid. They were looking to hire about 30 but would be scaling up to that number incrementally.

Invite for Housing Event

Morrie R. Goldman <mgoldman@urbansolutionsla.com>

To: Debby Kim <debby.kim@lacity.org>

Hi Debby -

As background, Mike Kinsella works for Holland Partner Group, managing their government affairs program. Holland Partner Group is a major supporter of the Up for Growth National Coalition, which promotes the production of housing on a national level. Tom Warren (whom you know very well from the Holland development projects in CCW) and myself thought this may be something of interest to Gil.

Let me know if you need any additional info...thanks!

I would like to invite you to provide kick off remarks at the upcoming Up for Growth National Coalition *Housing Underproduction in California* event. This event is the Up for Growth organization release of state-specific follow-up piece to Up for Growth's national *Housing Underproduction in the U.S.* study. Up for Growth is partnering with local organizations (including Los Angeles Business Council) to release this report. The report will look at California county level estimates related to underproduction, as well as state specific economic, fiscal and environmental impacts of addressing California's severe shortage of housing. **Up for Growth National Coalition has confirmed time, event location and attendees, and this information is detailed below:**

Date/Time: Wednesday, October 17 9:00AM – 10:30AM

Location: UCLA Grand Horizon Ballroom

Speakers: Mike Kinsella, Executive Director, Up for Growth National Coalition; Mike Wilkerson, Ph.D., Partner, ECONorthwest presenting Study Findings; Reaction Panel: Mary Leslie, Los Angeles Business Council (moderating); Assemblymember Laura Friedman (D-Glendale); Adam Fowler, Beacon Economics; John Eudy, Essex Property Trust.

The goal of this event is to elevate and amplify California's housing availability and affordability crisis, and bring attention to solutions to this challenge - specifically policies that increase supply.

We also think this will be a great forum to emphasize the commitment City of Los Angeles has to this issue. Invited event attendees will include elected officials and staff, policy thinkers, academics, real estate professionals, members of the business community. We will also be doing a media avail. at the conclusion of the event and would very much like you to participate.

Location: UCLA Grand Horizon Ballroom

Speakers: Mike Kinsella, Executive Director, Up for Growth National Coalition; Mike Wilkerson, Ph.D., Partner, ECONorthwest presenting Study Findings; Reaction Panel: Mary Leslie, Los Angeles Business Council (moderating); Assemblymember Laura Friedman (D-Glendale); Adam Fowler, Beacon Economics; John Eudy, Essex Property Trust.

The goal of this event is to elevate and amplify California's housing availability and affordability crisis, and bring attention to solutions to this challenge - specifically policies that increase supply.

We also think this will be a great forum to emphasize the commitment City of Los Angeles has to this issue. Invited event attendees will include elected officials and staff, policy thinkers, academics, real estate professionals, members of the business community. We will also be doing a media avail. at the conclusion of the event and would very much like you to participate.
